

The Career Launchpad

Your Journey to Leadership, Innovation & Employability

MultipliersKraft

A Flagship Solution by MultipliersKraft

Outlearn. Outpace. Outperform.

# Bridging The Last Mile Gap

## THE REALITY

Inadequate Practical Experiences

Rapid Technological Advancement demands readiness with right Career Choices

Overcoming Confidence, Exposure, Execution & Embracing Challenges

This gap is widening as AI reshapes roles and raises the bar for talent.

# Why MiLE **Why Now**

MiLE gives institutions a **structured, human-led way** to bridge this readiness gap and align learner's outcomes with modern employer expectations.

## AI-FIRST WORKFLOWS

Technology reshaping how work gets done

## MULTI-SKILL ROLES

Cross-functional capabilities now essential.

## HIGH COMPETITION

Navigating in current market & Career choice

## PURSUIT OF EXCELLENCE
